Weekly Calendar

Remarks and Reminders

WYSE Competition: Congratulations to The Einstein Academy high school students who competed in the regional Worldwide Youth in Science and Engineering competition at Elgin Community College today. The students did an amazing job, applause to Youseff Butler for receiving 3rd place in Biology and Joe Ott for receiving 2nd place in English!

Priority Registration: Priority Registration for all Einstein Families is taking place between now and February 12th. Registration opens to the public on February 14th. Many families have registered and reserved their child's placement for next year. Students who are registered for the 2016-2017 academic school year will also receive a special gift! If you have not registered for next year yet please do so before open registration to secure your child's placement. We have been notified that a private school in the area is closing and we have already received tremendous response. We do not want to lose any of our current families due to not registering before open registration occurs. All incoming 4th grade through high school students may vote for their choice of an educational trip once they deposit for the 2016-2017 academic year. The choices are: Sea Camp, Cuba, and China. The ballots were included in the packet passed out during the family dinner.

Student Senate Valentines Sale: The special Valentine giveaways for Valentine's Day, "I Dig You" cards and "Crush Cans" will be delivered on Friday, February 12th.

THE EINSTEIN ACADEMY

Weekly Calendar

Valentine's Day Classroom Parties: Please have your child wear red or pink to celebrate Valentine's Day with their class on Friday, February 12th. If you would like to share Valentines please be sure you bring one for everyone in the class.

Einstein Open House: The Einstein Academy 2016 Open House is on Sunday, February 14th from 1-3pm. This is an amazing opportunity for prospective students to visit and learn about our outstanding academic curriculum! Please encourage families interested in a quality education to attend!

Community Service: A huge thank you to Michelle Frampton from *Food For Greater Elgin* for her presentation of Change for Hunger on Wednesday to our student body. All our classes will be collecting coins for this worthy program. Our goal is to raise at least \$500. Our corporate sponsor ELARASYS worldwide has generously agreed to match our \$500 also.

Quiz Bowl: The Einstein Academy's quiz bowl team will be competing in an all-day tournament at Barrington Middle School on March 12th. Students compete in teams of five in a fast-paced game of quick recall, and they have been learning about art, politics, history, math and pop culture in preparation for some heavy competition against some pretty power-house schools! Please join us in rooting on Ameya Gourisetty, Achintya Gourisetty, Laura Hudec, Will Healy and Jacob Steimle as they represent our school. Go Panthers! Show that Purple Pride!
