Phil's Friend Service Project: The Einstein Academy prides itself in being a caring school community. We strive to be involved in community service projects that allow our students the opportunity to think of others who are in need and therefore become responsible global citizens. Phil's Friends, a non-profit organization, delivers care packages all around the world to people who are diagnosed with Cancer. Throughout the month of April, a box will be placed on the stage in the main building to store the donated items your child wishes to bring in. The list of items includes blankets, warm socks, puzzle books, baseball caps, scarves, lip balm, unscented lotion, etc. An information flier with complete details was sent home with your child and more information is available on our website.

Favorite Teacher Contest: Mariam Butler was the local winner for the *My Favorite Teacher Contest* from Barnes & Noble! Mariam Butler's essay about Mrs. Schlossmann won, and will now be forwarded to the regional offices for consideration for regional and national level prizes. There will be a small reception at the Barnes & Noble in West Dundee (in Springhill Mall) on Thursday, April 14th at 5:00pm where Mariam has been invited to read her essay, followed by a cake and coffee reception. We invite all of our Einstein staff, students and families to come out and honor Mrs. Schlossmann!
