Phil's Friend Service Project: The Einstein Academy prides itself in being a caring school community. We strive to be involved in community service projects that allow our students the opportunity to think of others who are in need and therefore become responsible global citizens. Phil's Friends, a non-profit organization, delivers care packages all around the world to people who are diagnosed with Cancer. Throughout the month of April, a box will be placed on the stage in the main building to temporarily store the donated items your child wishes to bring in. The list of items includes blankets, warm socks, puzzle books, baseball caps, scarves, lip balm, unscented lotions, etc. More information about Phil's Friend is available on our website. Our students have been making cards and decorating boxes in art class to be filled with the items that are gathered.
